## OUR VISION

To radically change the landscape of HealthCARE forever.

## OUR MISSION

Our family-based organization will revolutionize the healthcare industry through a culture of resident-centered healthcare services, personalized spirituality, real quality of life initiatives and stakeholder education and empowerment, to earn the trust of every resident, family and community we serve.

**SPIRITUALITY**

**INNOVATION**

**LEARNING**

## **THE POWER OF HOPE IN HEALING**

The **SPIRITUALITY** pillar encompasses the Signature Chaplain Corps. It is a company cornerstone where Chaplains serve with hope and humility, striving to meet patients, employees and family members where they are, at the point of their very need.

## **MAKING A DIFFERENCE**

The **INNOVATION** pillar was founded on the notion that great ideas can come from anywhere. Signature HealthCARE encourages stakeholders at all levels of the organization to be vocal about their ideas to improve the lives of patients and clients.

## **GREAT LEARNING. GREAT RESULTS.**

At Signature HealthCARE, our award-winning **LEARNING** pillar delivers first-rate education and training opportunities with you in mind. We believe revolutionary and lifelong learning has no limits, must create a competitive advantage and change lives for generations.
